CAPRI

Charlie's Angel

CAPRI

Capri Anderson has had strange dates and weird boyfriends before. So when reports surfaced she was Charlie Sheen's date during his recent alleged drug-and-alcohol meltdown in New York, we weren't surprised. If *you* were the highest paid actor on television, wouldn't Capri be *your* choice of companion for a night on the town? According to reports, Charlie was allegedly coked up and drunk and kept disappearing into a restaurant bathroom with Capri. Then, around two in the morning back at his hotel, Charlie couldn't find his watch or wallet, so he freaked out, trashing his hotel room (and Capri's $1,600 Prada purse). Capri was so frightened she called police, who hauled Sheen away for a psych evaluation. Sheen's publicist claims his client had a bad allergic reaction to medication. (Could it have been the mind-numbing painkiller between Capri's thighs?) Capri, for her part, is keeping quiet about the incident—which is exactly what you want from a "companion" should your night on the town get a little rowdy. Yet another thing to love about Capri Anderson! Now, if she could only put a stop to that abominable shit-fest, *Two And A Half Men*!

Patio Porking

REBECA

Rebeca Linares is still getting used to her new and improved bustline. After growing from a B-cup to DD seemingly overnight, Rebeca has gotten lots of attention from the males (and several of the females) in her neighborhood. "I am still adapting," Rebeca explains. "I bent down to pick something up the other day and I almost fell over because I am so top heavy now. It is very strange...I need more time maybe..." Mr. Pete, a caring, compassionate man, is trying to help Rebeca regain her equilibrium by bending her over the patio furniture and pounding her smooth cooch until the sexy Spanish slut is screaming with orgasm. She cums all over Pete's pistol, her massive melons swaying hypnotically. "At least my big boobs don't get in the way of my fucking," she notes between orgasms. We wish they'd get in the way of our jerking off, Rebeca!

INTERVIEW WITH GINA LYNN

Interview by Rob Perez

Gina Lynn is undisputedly a living legend in the adult business, having worked her way up from an East coast stripper to AVN Hall of Famer. The past ten years could easily be described as "the decade of Gina Lynn," whose amazing career has launched her into the quadruple crown of adult entertainment—feature dancer, A-list talent, director, and magazine centerfold girl. Add to that Gina Lynn Productions, Gina's many various mainstream roles and the two boutique stores Gina runs (Skin), Gina is a force to be reckoned with. Of course, CHERI was the first adult magazine to ever feature Gina and recognize her many talents. Gina returns to the place where it all started for her!

Congratulations on being named into the AVN Hall of Fame.

Yeah! I can't believe it's been 10 years. It's crazy.

What does being in the AVN Hall of Fame mean to you?

It means that I've reached stardom in the adult industry because they don't just put anybody in the Hall of Fame. They only put in big names that have made an impact on the industry. »

When you started in the business over ten years ago, did you imagine your career going as far as it did?

No. I thought I would be just another porn girl because at the time it was all about money, but I realized that you have to reach a certain level of fame to make good money. Otherwise, you just overexpose yourself because to this day, I still haven't made as many movies as a girl coming into the business doing a scene everyday. I do scenes every few months, if that.

How many movies have you done? Can you give me an approximate number?

It's so hard to give you a number because there are so many compilations, but I've done less than a hundred. For sure. Way less than a hundred because I was under contract for so many years, and for two years I did three movies in a year.

Would you say then that you're more known for your magazine layouts and feature dancing than you are for your movies?

I don't know about that because when I did Jules Jordan Video's *Gina Lynn's Darkside*, I had finally gotten out of my contract. I did the gonzo, and I did stuff I've never done before. I'm really known for that movie. I was known for the mainstream stuff. I don't know about the feature dancing. People came to see me after that. But I was always a dancer. That was my main thing. Once I did *Gina Lynn's Darkside*, that was pretty big for me. That won gonzo movie of the year in 2005. Before that I was under contract.

What would you cite as the contributing factors for your successful career?

Definitely doing the mainstream because I got so much publicity out of that. Everybody went, "Who is this Gina Lynn?" That wasn't something I was going for. It just kind of happened. It was just one thing after another, from 2002 to 2003. Then it just escalated to this point now. It was *Third Watch, The Sopranos, Analyze That*, the Eminem "Superman" video, it was like a chain of events. I was all over the news, I was on Entertainment Tonight, and it was good publicity. Once I got out of my contract, a bunch of people wanted to shoot me. I had a few companies offer me a contract. Hustler offered me a contract, Vivid offered me a contract, but they weren't the right terms for me, and I didn't need to be re-invented. I already had the fame. For me, it's good that I never had a million dollar company back me and I got pretty popular on my own. I never had Wicked or Vivid or those huge ads put all over the place.

You could say you did it on your own.

Yeah I did. And with Travis' help (Travis Knight, Gina's husband). Him pushing me.

You've become successful in porn without ever really moving out to LA, but maintaining your base on the East coast. Why didn't you ever move out to LA fulltime?

Well, my family is on the East coast. Travis' family is out here, and I don't think I would make it out in LA. (Laughs) I don't think we would make it as a couple out there. It's a little too much for me. I like being out in the country. Little doses of LA are enough for me.

What about the attention you get when you go to LA?

When I go out there, I get so much attention, it's great. Everybody is like, "Gina Lynn is in

INTERVIEW WITH GINA LYNN

INTERVIEW WITH GINA LYNN

town!" It's nice. I'm always a surprised because they rarely see me when I go to the events because I am friends with a lot of the girls out there. I just can't see myself running around from set to set in the LA traffic, living that lifestyle and everything around it. I like to have a little too much fun, and I probably would have way too much fun in LA, and it would make me break down.

So the East coast keeps you grounded?

Oh yeah, for sure. And I like the East coast. I like being near Philly, I'm a train ride away to New York City. I've been an East coast girl all my life. But I do like shooting movies in LA. I don't like shooting out here. My makeup artist is in LA, the beautiful locations are in LA.

You're well known for being one of the most sought after magazine models due to your ability to sell magazines. Have you ever wondered why the fans have responded so positively to your magazine layouts?

Maybe the blonde hair and big boobs? (*Laughs*) I mean that's what the magazine's always liked, for the most part.

Do you still get a lot of requests for magazine work?

I do. Whenever I go to LA I try to book some time with photographers for shoots.

As you get older, are you a little more self-conscious about getting nude or do you still feel very comfortable being naked in front of the camera?

No. My body probably looks better now than it has been in certain periods of my adult career. It's been up and down, and I'm constantly working out. I'm aging well, I haven't gotten any wrinkles around my eyes, and I'm following in my mom's footsteps so things are good.

Is Gina Lynn Productions still in operation? How many movies does the studio produce per year?

Yeah. I took a break and slowed down on shooting titles because I opened up my two clothing stores (Skin). I had to make sure I had something for my future besides the adult when I get out. So that's why I opened the clothing stores. You never know what could happen. I released *I Love Gina 2*. That took a lot of time. I used to do one movie per month, but now it's inconsistent. I need to get back on track. I haven't put one out in a while. I think the last one was *Double D's & Derrieres 4*. It was me and Amy Ried on the cover.

Is Gina Lynn Productions still distributed by Jules Jordan? What's your relationship like with him?

Yeah. He's one of my best friends. I'm very close to him. I actually met Jules before I met Travis.

Who are some of the people who really helped you at the beginning of your career? What role did they play?

IVD, who owns Pleasure Productions, because they're a huge distributor. I learned so much about distribution. Being a contract girl for three years and how important it was to do the warehouse shows and meet all the buyers and schmooze with them. Cal Exotics, my adult toy line. I signed a five year contract with them, and I have two years left with them. They kept me under contract for 10 years. I have so many toys under their belt, and they do really well for me. Most people love the stuff I've done for Jules Jordan because it's gonzo. He's gotten me to do more dirty stuff than I've ever done. At this point I've never done anal and I'm not going to say never, but I'm pretty sure I'm not going to ever do it. I don't even do it in my personal life.

So it's likely we'll never see you do it?

No. It's been 10 years and you haven't. I've been offered a lot of money for it, but I just don't want to do it. Anal is something I know I wouldn't enjoy. I'm not going to do something I'm not going to enjoy or be forced to do.

If it happens it will be strictly under your terms?

Yeah, if I decided to do it. And then if I decided to do it of course it's going to be with Travis.

Being that you are older now, I have noticed you in more mature roles? How do you feel about being an older woman in the industry?

It feels good because I go on set and I look at these little 24-year-olds who don't take care of themselves and you can't tell the difference in age. They hire me in these older roles because they know my age. I went on set for *Naughty America* and they put me in a cougar movie, and I see the director looking at me, making a phone call to *Naughty America* and saying, "Do you really want to put Gina Lynn in a cougar movie because it just doesn't match?" (*Laughs*) They were putting women who looked much older than me. But I also see them putting 24-year-olds in MILF movies, so at this point it doesn't matter.

Do you still plan on performing for the foreseeable future?

I'm going to do it until I get bored. I don't have a plan on when I'm going to stop. It works for her but I don't want to be a Nina Hartley, lets just say that.

When you're on set, do the younger girls admire you, ask for your advice often?

I introduce myself to them and they're kind of like fans. They look up to me and they're like, "We know who you are." They're cute. But a lot of these girls do crazier stuff than me. They don't really need any advice.

When we last spoke we talked about you performing with girls and you mentioned you weren't attracted to women. Are you still not attracted to girls?

I'm not. I'm still not. I get drunk and I kiss girls. I do gay for pay. I like guys. I like guys a lot. But I'll do scenes. Sometimes it's alright with the girls. It's not my thing but for some reason when I get drunk I like to kiss girls.

INTERVIEW WITH GINA LYNN

INTERVIEW WITH
GINA LYNN

So as a heterosexual woman, how do you prepare for a lesbian scene?

If I have a strap-on or a toy, some of my lesbian scenes are more rough, but I don't want to do that anymore. I want to make them a little bit softer now. I was Strap-On Sally for so long, that's what killed it. They wanted me to be rough with the girls and act like one of the guys and I would do the girl that way. I'm trying to make my stuff a little bit more tender. There's no preparing for it. I know what to do. (*Laughs*) I just did *Strap-On Sally 23* and *24*. They had me working with these young, stupid girls that annoyed me. I was really mean to them and they took it. I pulled their hair, I smacked them around. I can't believe they took it because I wouldn't let a girl do that to me.

One sex act you're well known for is your blowjobs skills. Have you always been good at giving oral, even before entering the business?

No, I think I learned it and I've gotten better over the years. Just learning what the guy likes and trying new things, and listening to their advice. Every guy likes something different.

What's the key to giving a great blowjob?

The secret to a great blowjob is move your tongue around while you're going down and press up and wiggle it against the shaft. Use your hands of course.

Who are the top guys and girls you love having sex with on camera?

The most beautiful girl was probably Lanny Barbie. Guys, probably Manuel Ferrara and Jean Val Jean. He was really good. I did some scenes with him.

What's the secret to having a long, successful career in adult, similar to yours?

Not to overexpose yourself too much. Get your brand out there, at least mainstream, and keep up with your fans. Fans are very important. You have to let them know you appreciate them!

I can't believe you want to eat my asshole," Blue Angel says. "That's so...ewww." Her friend Shalina couldn't disagree more. "It's not gross...it's great!" she says. "All the girls are trying it and getting off on it. Don't you watch porno? Don't you stay current?" Blue considers herself well informed, but she's never seen anything about a rampant ass-eating craze on her RSS news feeds or Twitter. Could Shalina be making it up, lying to Blue just to satisfy her own twisted anal cravings? "Well...you can put a finger or two up there, but you'd better eat me out good first," Blue says. Shalina's cunnilingus skills are better than good. Ten minutes later Blue is screaming and drenched, with four orgasms under her belt and another one building. "Yeah, that's it! Eat my ass! Tongue it! Ream it! Oh, it feels so good!" Looks like Shalina got her way...Blue made out okay, too.

Jenna Haze's Legs Up Hose Down

by Acme Andersson

We thought we had it good watching Jenna Haze develop as a performer. We *did* have it good. What most of us didn't know was that it was going to get better when she got *behind* the camera.

Oh, she still gets fucked for our viewing pleasure, but now that she's directing, we get to see just how dirty she really is—and that cute little thing is absolutely filthy. So not only do we get tons of Jenna in her movies, she enlists all of her hottest friends and then squeezes seven scenes and a ton of extras into a two-disc set.

For her latest DVD, *Legs Up Hose Down*, Jenna showcases seven sizzling sluts: April O'Neil, Tori Black, Lily LaBreau, Marie Luv, Zoe Voss, Lexi Belle and Faye Reagan. Then she brings in the men, who absolutely tear into these girls. It's as though they'd been caged and taunted by these girls. Maybe they have. We know Jenna has to be doing *something* to get scenes like this. »

JULES JORDAN VIDEO

Jenna Haze & Zoe Voss with Scott Nails

Jenna sets the tone from the beginning, putting herself in the opening scene along side the delectable Zoe Voss and the dynamite duo take on stone-faced and rock-hard Scott Nails. There is plenty for both of them and rather than fighting over who gets fucked first, each encourages the other to suck and fuck, assisting with tongues and fingers and plenty of dirty talk.

With Zoe contorted so that her snatch is pointing toward the ceiling and her knees are crowding her ears, Jenna shows great care as she plays with her friend's clit, a sharp contrast to Scott's deep thrusts that have Z-girl howling. "Oh…fuck!" she eeks out as she's about to cum. "That's… really…hard!"

With the girls each taking on clit duty for the other, all they really have to do when it's their turn to screw is take that cock and let the orgasms flow. Both the girls get their quivers and shakes before Scott tries to drown them with one his healthy loads.

Tori Black with Prince Yahshua

Tori Black doesn't need to be told what to do in a scene. Here we have one AVN Performer of the Year directing another POY and between them the only thing that could go wrong would be running out of tape. Prince Yahshua gets the honor and get "on her" he does.

After holding her upside-down for a 69, he rips open her tights and plunges his dick into her furry little snatch. "Oh! Fuck! Yeah!" the agreeable starlet grunts as he clobbers her pussy with his black rod. But cramming into that pussy isn't what she signed up for—Tori's pussy has had enough pleasure for a hundred lifetimes. This girl wants her ass fucked.

JULES JORDAN VIDEO

With her station wide open, Prince slides his freight train inside right on schedule. "Yeh! Yeh! Yeh!" she tells him through gritted teeth. "Right fuckin' there!" A heavy moan escapes her as her eyes close tight, ass cumming as he plunders her backside. When she finally reaches the point where she can't cum anymore, she tells Prince she wants his blast. He rides her ass until he's ready, then pulls it out and reintroduces his cock to her face.

April O'Neil with James Deen

If they're handing out awards for Best Tits, sign April up and give her the trophy because in a world of hot bodies, this girl has arguably the greatest rack of them all. But a fine body will only get you so far in the porn business. At the end of the day (and hopefully before), you have to be able to fuck. And April can fuck.

James loves a girl who can keep up with him and even put up a little fight, and April makes him earn his check here. They fuck on the counter, over the sink and in the shower and there is no keeping James' hands from fondling this girl's sultry body as he bones her. He does everything he can to bust her twat wide open, but April hangs in there, gets her orgasms and comes away with her pussy still intact.

Wisely, Jenna makes sure the camera is always at the right angle to flatter her able-bodied star and whether she is getting fucked from behind or riding reverse cowgirl, her big and bouncies are always the center of attention, even as James is giving her a white wad for her amazing effort.

Jenna Haze, Lexi Belle & Faye Reagan

Jenna is back and looking as beautiful as ever as the centerpiece of a Faye Reagan/Lexi Belle sandwich. The redhead, blonde and brunette, all wearing tutus, take turns pairing up to pleasure the third girl. Jenna is the clear leader of the pack and directs as she works, but she does it in a way that doesn't come off as bossy. She's horny and full of ideas and her voice remains soft, sexy and encouraging. Jenna doesn't have to tell Lexi to go down on Faye more than once—Lexi's a smart girl and Faye is ripe and delicious and naturally she wants to go down on her!

Of course, Jenna doesn't ask anyone to do anything she wouldn't do herself and she works a pussy every bit as well as she does a cock. (Let's not forget that Jenna spent a long time doing only girls on camera.) There's an extraordinary segment where Jenna and Faye are crowded around Lexi's fluffy cunt, Jenna licking and flicking as Faye gives Lexi the finger, and Faye looks as happy as any porn fan would be to find him- or herself thrown into that mix. Or maybe she knows

Jenna's just a couple minutes away from taking advantage of the milky-skinned doll's ass.

Marie Luv with Mark Ashley

There are very few women in porn who are so actively and aggressively part of their scenes like Marie Luv. She has the sex drive of a teenage boy, but when inside a beautiful package like hers, the options are limitless. This is best personified by the part of the scene where she is on top reverse cowgirl, Mark's cock deep inside her ass, with Mark's arms wrapped around her thighs, rocking her forward and back on his prick. Most girls would probably just sit there and enjoy, but Marie doesn't let her hands go idle, instead she gets a vibrator and rubs it around her clit in search of yet another orgasm. And she finds it.

Lucky for everyone involved, she's paired up with one of the industry's premier woodsmen, Mark Ashley, and he is able to keep up with her at every turn, yelp and anus-tightening moment. But finally while he's fucking her doggie style he gives in to her request to feel his load, pulls it out and sprays her ass in what looks like a liquid Fourth of July on her bumper.

Lily Lebeau with Toni Ribas and Mick Blue

Lily LeBeau has this amazing ability to seem perfectly zen while getting rammed by two cocks and then her face slowly changes as though the animal within is being awakened and suddenly she is fierce, loud and intense, toying with her prey, allowing them to fuck her, or maybe it is she who is fucking them?

She purrs through the scene's intro, seducing the camera and everyone who will ever see the footage. As Mick Blue takes her in spoon she starts to get louder and by the time Toni Ribas is fucking her doggie style and she is face-to-cock with Mick's prick, she is yelling back to Toni, telling him to hang on and "use those legs as your fucking handles!"

Showing that she's more than a two-horse cock wonder, she manages to pull on both of them while they give her cooch the toy treatment. By the time she gets double blasted, her makeup is running and her pussy sits at dull attention, exhausted by the working over the boys have given it.

Jenna Haze with Voodoo

At the end of the day it all comes back to Jenna, the hardest working woman in the blowjob business. For her grand finale Jenna teams up with Voodoo, the owner of a cock so thick many girls in the porn business are scared of it. Not Jenna, out little trooper loves a fat pumper. Rather than ride on her laurels, she rides on his cock, first giving him the smooth feel of her pink corridor, then turning over and taking his fat shaft into her little ass.

The lighting gives the scene a somewhat retro feel; it's kind of dark, a room one might imagine you'd be allowed to sit and the corner and watch, just stay quiet and out of the way. She coos and purrs, looks pretty and talks dirty, and isn't afraid to put his money shot where her mouth is. But before she'll let him blow his wad, she makes damn sure that all three of her holes are completely satisfied. The girl wants to get her money's worth. She should, she's the director.

TART OF THE MONTH
ANGELINA
Phat Lips

ANGELINA

Growing up in Brooklyn, New York, Angelina Armani developed a taste for the finer things in life: the New York Yankees, dirty water hot dogs, and raunchy sex in the backseats of cars parked along Avenue U. She did some fashion modeling and runway work while still in her late teens in NYC. But she soon realized she was more interested in fucking than working. So she hopped a flight to Southern California to make porno. She appeared in a number of independent films before getting signed to an exclusive contract by industry giant Digital Playground (though she left the company six months later to pursue more lucrative fucking jobs). Now Angelina is spreading her hot, wet holes as a CHERI Tart Of The Month. Angelina, welcome to the top rung of the adult entertainment ladder! Once you go CHERI, you never go back!

HONEY & AMABELLA

OMG! BFFs Split Tubesteak!

HONEY & AMABELLA

Honey and Amabella are, like, totally BFFs. They do everything together, from hanging at the mall, to manicures/pedicures, to crashing frat parties during Rush Week. They even share a calling plan. And they share cock, of course. Yeah, tag-teaming a dude's stiffy is awesome. Honey doesn't know how Amabella feels, but her favorite part is when the girls "accidentally" kiss, tongues meeting atop some dude's glistening dickhead, twisting together for a moment before parting and sliding down the veiny shaft, a throbbing vessel that will soon fill their mouths with salty cum. Then the girls will swap the gooey load back and forth. That's Honey's second favorite part, the time she feels closest to her BFF. It's totally, like, OMG! You know? Yeah, we know, girls. Now go suck some dick. WTF?

BARE NAKED LADIES GO WILD IN THE HEARTLAND!

QUEENS OF THE BONER AGE

Queen Of The Stage. Queen Of The Pole. If you're an exotic dancer, these are kind of titles you strive to achieve. Even if you're not a stripper, what girl wouldn't want to be Queen Of The Pole? Sure, there are lots of Princesses, but only one Queen! All must bow before her! How can a girl rise through the ranks to gain such a lofty title? Through hard work, determination, and entering the annual Stripperfest competition in Milwaukee. Now in its eighth year, Stripperfest has become one of the premier nude beauty pageants in the world. Women from all the over the globe compete for a $1,500 cash prize and the right to be called "Queen."

TRUE COMPETITORS

Stripperfest is one of the most legit nude pageants around, with votes being cast by a panel of volunteer judges, providing an un-biased opinion of America's best exotic dancers. (Hell yeah, judging a nude beauty contest—finally a volunteer activity we'd make time for!) Each performer is judged on talent, beauty and skill and scores are read aloud and posted after every show for public viewing. It's a lot like a reality TV competition—*America's Got Boobies, The Biggest Nympho, Erections With The Stars,* or *America's Next Top Stripper*—only infinitely better because there are real, live girls in G-strings shaking their tits and asses in your face. And there's nothing better than that.

JESSE JANE PLAYFUL ⚡⚡⚡⚡⚡ (Digital Playground)

Starring: Jesse Jane, Madison Parker, Hillary Scott, Jayden Jaymes, Angelina Ash, Cindy Hope.

It's another solid performance from CHERI Entertainment Editor Jesse Jane, appearing in two hot scenes, with her finale being an absolute scorcher. *Playful* is more than just this flick's title—it's an attitude the performers carry throughout the movie. Like in the opening scene, where Jesse grabs Mick Blue's cock in order to have him pay attention to her and she's suddenly bobbing her head on his stiff rod, riding it until he spills his load on her big titties. Madison Parker does what she does best, having her holes filled up simultaneously, getting pounded in her tight, Euro-trash ass and sprayed with nut juice. Hillary Scott returns in a hot threeway with Cindy Hope and a mysterious stranger, some lucky dick who shares his cock with the two stunning babes, each taking turns getting nailed by their well-endowed fuck toy. Jesse returns to finish things off, this time bringing the incredible Jayden Jaymes over to play with Scott Nails. Nails nails these two cock hungry babes, tossing them around and fucking their pussies while the girls play with each other. Jesse works her tongue all over Jayden's curves. Hot from beginning to end.

GANGBANG AUDITIONS 24 (Diabolic)

Starring: Aletta Ocean, Amy Brooke, Sara Sloane.

This is simply a great gangbang feature, almost done to perfection. Clearly, Aletta Ocean was born for porn and to be a gangbang queen. She's a goddess with an incredible body that was made to get fucked, especially by multiple cocks at the same time. Her tall, athletic body can handle the rigors of such a fuck session, and we're convinced she's been passed around a couple of times before her first on-camera gangbang. She opens this gangbang feature and you won't be able to hold your load in for the entire scene. We were also impressed with porn slut Amy Brooke, a girl with skank written all over herself; the guys could've signed their names in cum on her face and she wouldn't care. Amy looks like the type of girl that would spread for anyone—always a good thing. The sex in both their scenes was sizzling. You can tell Sara Sloane is a rookie at the gangbang and anal department; she doesn't ooze the slutiness of Amy or the buttfuck-craving that Aletta displays, but she certainly makes a good effort in having the pipes fill up her holes, albeit briefly. Fans of the gangbang genre won't be disappointed!

NOT CHARLIE'S ANGELS XXX ⚡⚡⚡⚡⚡ (X-Play/All Media Play)

Starring: Andy San Dimas, Madison Ivy, Heather Starlet, Breanne Benson, Sunny Leone, Vicki Chase, Cassandra Cruz, Lexi Swallow.

For everyone who ever fantasized about Jill, Kelly and Sabrina, we finally get to see Charlie's Angels really go undercover and catch their man—and woman—in this clever and funny parody. X-Play does it again and Jeff Mullen is the King of Parodies. From the opening credits, silly dialogue, graphics, clothes, and musical score, down to the jiggle, swagger, and cheesy disco dancing, *Not Charlie's Angels XXX* does not disappoint—it's much sexier than the original! Plus every guy who grew up cranking one out to the Angels will have their wet dreams come true as we see these X-rated Angels (Sunny Leone, Lexi Swallow and Andy San Dimas) get naked and fuck like a gang of swingin' nymphos. The Angels travel to New York to investigate Marcus London, who is running a cocaine and prostitution ring out of Studio 54. They successfully infiltrate the club and get infiltrated by some cocks and tongues in the process. Solid acting by all and incredible gonzo sex as usual, make *Not Charlie's Angels XXX* another winner from the X-Play team!

TEENAGERS ON PAROLE!

SPEED ⚡⚡⚡⚡⚡

(Wicked Playground)

Starring: Shyla Stylez, Devon Lee, Jessica Drake, Misty Stone, Sandee Westgate, Marie Luv, Kirsten Price, Alexis Texas, Kayme Kai, Asa Akira, Briana Blair, Tori Black, Tory Lane, Sophia Santi, Jada Fire, Kaylani Lei, Angie Savage, Alektra Blue, Nyomi Banxxx, Chanel Preston.

Believe the hype surrounding Wicked Pictures *Speed*. It's one of the studios best releases and a definite contender for movie of the year. Featuring 11 amazing sex scenes, a compelling storyline, and hi-tech special effects that are virtually unmatched by many other big-budget releases, *Speed* is not only a great film but an achievement in adult filmmaking, one that will rank among the very best adult feature films of all time. Brad Armstrong cements his place as porn's best director today with his non-pretentious yet seriously sexy flick about LA-based motorcycle clubs who battle it out on the streets of downtown LA. Stupendous acting and sex performances must go to jessica drake who heads the cast of this who's who of female porn talent, and Barret Blade, porn's most underrated male talent. A great looking cast combined with super-sleek production make Speed a thrilling, action-packed film, yet filled with more than enough sizzling sex so it's impossible to keep your erection in your pants. Especially noteworthy is the motel orgy scene featuring 16 performers—it should be mandatory viewing for all directors who want to shoot hot group sex. *Speed* is not only one of the best adult films Brad Armstrong has ever directed, it is also one of the best adult films ever made.

DOUBLE PENETRATION TRYOUTS 10 ⚡⚡⚡⚡ (Pink Visual)

Starring: Jessica Moore, Audrey Elson, Harmony Rose, Melissa Lauren.

Pink Visual does what we would've done if we were in charge of this flick—cast it with girls that love having both their holes stuffed with big cock. Each girl in this awesome DVD is a proven anal queen and are not strangers to getting double dipped. Frenchie Melissa Lauren, one of porn's best at getting her ass stuffed, fantasizes about having the two guys standing outside her house ass fucking her. It's all a dream, but Melissa has quite the imagination as she submits to having these strangers' cocks in her mouth, and in her ass and pussy, simultaneously. Another hot Euro-whore, Jessica Moore, has the TV repair guys fix her signal while she displays the universal signal for "fuck me" by doing an enticing striptease. The repairmen tune this big boobed slut up good. The under-rated, under-appreciated Harmony Rose plays a genie who grants her new masters the wish of awesome anal sex. Harmony takes a savage pounding and begs for more, gladly swallowing her masters' ball juice as instructed. Watching porn pros like these sluts doing nasty things never gets dull!

KAGNEY

Remember when mainstream actress Jennifer Love Hewitt went on the George Lopez Show last year and talked about getting "vajazzled," decorating her vagina with ornamental jewels? It was hot as hell. You know George Lopez probably beat his Mexican meatstick after the show. We jerked ours. But that interview upset XXX starlet Kagney Linn Karter. "I was wearing vagina jewelry for more than a year before JLH came along and took credit for being a vajazzling pioneer," Kagney explains. "I bet she came up with the idea after watching one of my movies! Bitch! I'd like to kick her ass. And lick and finger it, too." We'd like to see you do that, Kagney. And we know you're an erotic fashion pioneer, even if Jennifer Love Hewitt did steal your thunder. Here, why don't you ease your sorrows with this big, hard cock...

SUPERSTAR SHOWDOWN

TORI BLACK VS ALEXIS TEXAS

Porn Powerhouses Battle For Slut Supremacy!

By Jeff Kydd

Photos courtesy of Vouyer Media
www.vouyermedia.com

VS.

A superstar showdown starring Alexis Texas and her bounteous booty and Tori Black and her endless legs. Two of the reigning divas of adult, going toe-to-toe. When I got the press invitation, I couldn't wait for the rumble to begin.

But I had to seriously adjust my expectations when I walked onto the soundstage the first day. In addition to Tori and Alexis, Monique Alexander, Joanna Angel and Kirsten Price were hanging out. All of them, including the makeup girl, were chatting and laughing, hugging and kissing. If there was any competitive vibe between Alexis and Tori in the air, it had been neutered like a rogue bull elephant. It looked more like a slumber party than a smackdown. I needed some clarification.

"We'll be running Tori and Alexis through a series of rounds," explained director Zander. "We'll have them come out one-by-one to showcase their best work. There'll be a solo scenario, a handjob scenario, a blowjob scenario, a girl/girl scenario and a boy/girl scenario."

Did he say showcase? I thought it was a showdown.

"We have two guest judges, Joanna Angel and Monique Alexander. They'll be looking at overall performance. Kirsten Price is the hostess."

Oh, well, showcase or showdown, it was still worth hauling

SUPERSTAR SHOWDOWN

VS.

my ass out in the blast furnace heat. How often do you get to see Alexis Texas and Tori Black together?

After what seems like an eternity setting up, we're ready for the solo competition. Kirsten introduces both performers. Just before Alexis and Tori enter from opposite sides of the stage, Zander tells them to pause as they meet, give each other a taunting stare and come forward. Kirsten takes turns interviewing each.

"What do you think your strengths are?" she asks Tori.

"I'm a pleaser," she says. "I think BJ is where I'm going to rock it."

Alexis is next. "I think I'm best at fucking. I can move my booty in ways you've never seen." She turns and walks, displaying that awesome ass. Kirsten smiles, nods and walks off as the stars kiss and wish each other good luck. Gee, you never see Ultimate Fighting champs or professional wrestlers do that!

The solo competition—sorry, showcase—gets off to a good start. The highlight is Alexis finger-fucking herself, her pussy wet and squishing loudly. On to the handjob.

Alexis leads. Alexis gets between the legs of her stunt cock, Bill Bailey, and starts working his joint. Bailey is lifeless except for his erection. Kirsten steps over and asks Alexis about her technique.

"I like to use two hands and go back and forth," she says, demonstrating. "Moving up the shaft and following with the other hand. I like to spit on it first." Kirsten exits as Alexis really goes to town, keeping up a blistering commentary throughout.

"You like me rubbing your balls? I love to play with your head, getting it nice and hard. Want me to put it in my mouth? I'm going to jerk your fucking cock until you go crazy."

Instead, he cums. She points the pulsing rod toward him and his jizz lands on his chest.

Kirsten walks over for some post-play review.

"I made him explode," says Alexis.

"That you did."

"I can't believe how far he shot," says Monique.

"I like the teasing and blowing on it," offers Joanna.

Tori's turn. Her stud, Chris Norman, has a little trouble getting hard, so she willingly sucks him to attention. Time for a handy. Tori gets next to him and begins to stroke rapidly. "You like that? You like to get your hard cock jerked? Do you have a big load for me? You gonna cum all over the floor and show everyone what you got?"

She leans over and drools, then works him with the lube until he, yep, dumps his big load for her, though more goes on her hand than the floor.

"I think I just picked up some new techniques to use," said Monique.

"Drooling all over his cock was so sexy," Joanna added.

"Looks like someone had a fun afternoon," said Kirsten.

The first day wraps early—the girl's have a porn function to attend that evening. Tomorrow's gonna be a busy day with blowjob, girl/girl and boy/girl. Can't wait!

The handjob and blowjob scenarios seemed like one continuous scene. Alexis demonstrated the kind of professional skills that have taken her to the top as she chugged her stud's choad. She licked, she sucked, she gnawed, she drooled, she inhaled, moving from front to back to side to side and throwing in some 69 until he finally blew in her mouth and on her face.

Tori teamed up with Marcos Banderas, who dazzled the ladies with his buff body and blinding white smile. Tori made good on her promise from the day before; this girl can suck a throbber like no one can. She licked the head, then put the tip in to tease it before shifting to 69 and pumping her head up and down his shaft. Her cheeks were sunken like a mummy's as she gagged on his meat. Add some drool and stroking, and that's all it took before Senor Banderas blew in her mouth. *Olé*!

Next, Zander came up an inspired girl-girl twist by pairing the smoldering Latina sister team of Valerie and Melanie Rios with Tori and Alexis to lock lips and legs. Alexis hooked up with Valerie, Tori with Melanie. For me, it was the highlight of the shoot. The contrast of Valerie's mocha complexion and Alexis's porcelain skin and platinum blonde hair was dazzling, as was the way Tori buried her face in Melanie's ass as she sucked on her clit. When the quartet broke out matching clear dildos and started reaming each other, I nearly tossed a nut right on the floor. Hot stuff!

Alexis gets Valerie on her back and spreads her legs to bury her tongue deep in Val's Colombian cunt. They switch to a 69 and Alexis grinds her quim in Valerie's willing mouth before sliding a clear dildo up Valerie's pussy. Now it's Valerie's turn to ream out Alexis's box. She licks Alexis's tight asshole as she fucks her. They both orgasm.

"You really seem to love eating pussy, Alexis," Kirsten notes. "Remind me to invite you over some night."

Tori and Melanie begin almost exactly as Alexis and Valerie. Tori claws Melanie's panties off and buries her face in her ass as she caresses her pussy with her tongue, then it's into a torrid 69. Melanie seems a little stunned by Tori's intensity. After adjusting to the mauling she's getting at the other end, Mel settles down to a box lunch of her own, licking the insides of Tori's thighs and devouring her pussy.

Everyone takes a breather before the last showcase, good old fashioned fucking. Alexis will be getting it from Anthony Rosano. Tori will pork James Deen. It's starting to dawn on me that this is a lot of sex for one person in one day. Blowjobs, pussy-eating and now fucking. But these girls are pros. They both look like they just woke up from a nap.

SUPERSTAR SHOWDOWN

VS.

VS.

Next up, Alexis slides her hands in her panties to rub her clit as she gorges on Rosano's rod. She begins nuzzling his balls and takes one, then the other in her mouth. Her bra and panties come off, and Rosano leans her on her back, parts her legs and starts eating her out. After a few minutes Alexis straddles him, her booty bouncing like crazy. They shift to doggy, then spoons. He pounds against her ample ass, harder and harder, until he unloads on her face. Her mouth and chin are covered.

"Great stuff," says Kirsten. "You two looked like you were really in synch."

"She's a great match," gasped Rosano. "I always love working with Alexis."

Tori starts off squatting with Deen's cock in her mouth. Her legs are spread wide as she rubs her cunt through her leopard print panties. This continues for so long I wonder how she can squat without her leg muscles giving out. Right about then, they switch to cowgirl. She rides Deen hard. Her ass, which is pretty amazing itself, jiggles provocatively. When they switch to reverse cow, I get an awesome view of Tori's stuffed pussy. The fucking continues until Deen glazes her face with a hot load. It runs down her chin and neck. She licks the last drops off his tip and looks to the camera.

"That was incredible," said Kirsten. "I don't know who won."

"I'd say it was a draw," ruled Monique.

Joanna agreed. "They were both excellent."

Even though it wasn't what I was expecting, I'm glad I covered this shoot. Yeah, it was a love fest with biased judges and an adoring hostess, and the between-scenes commentary could have been phoned in from Vegas, but for anyone who loves Tori Black or Alexis Texas, (and who doesn't? They're two of the hottest women to ever work in porn) it was two days of pure perfection. Check it out. Your cock will thank you.

FRANCESCA & NIKKI

Chicks & Dip

FRANCESCA & NIKKI

Francesca spreads her butt cheeks and lowers herself over Nikki's face. This isn't the first time they've had sex, but it's the first time they've done it at a public pool. We doubt the hotel will mind. Who's going to complain about two hot blondes fucking each other? There's an exquisite moment, right when the tip of Nikki's tongue slips past the tight ring of Francesca's anus, when all of Francesca's cares melt away and she is lifted up on a blissful cloud. She grinds down, feels Nikki's tongue slide deeper. She starts to cum, her twat spasming uncontrollably. She screams and coats Nikki's face with sweet, sticky girl-goo. Nice job, Nikki! Now it's your turn, Francesca. She slides a pink vibrator slowly inside Nikki, until the blonde waif is cumming all over on her beach towel. Damn, it's hot...who's up for a dip in the pool?
